Buzz off to the Ginger Factory these school holidays

Tight budgets and school holidays can be a recipe for disaster, but the Ginger Factory has come to the rescue releasing some fun budget busting activities these school holidays.

And with free admission into the popular Sunshine Coast attraction, the Ginger Factory's entertainment choices will suit most budgets and age groups while also being a great inexpensive day out for the family.

The new Superbee Live Bee Show is one for both young and old. Visitors can see honeybees up close in their beehives behind protective glass, listen to and watch informative beekeepers delve into the secret life of bees while also getting to taste a range honey flavours. There are six bee shows daily, costing \$8 for children and \$12 for adults.

And just for the school holidays, kids can dance to a different beat, with music, story telling and 'talking drums' performed by renowned Ghanaian percussionist, Sam Derchie. His spellbinding performances have seen him perform extensively throughout Australia and New Zealand since immigrating to Australia from Ghana in 1982.

Children of all ages will be captivated by Sam's traditional African tales set to the rhythmic beats of African drums and other instruments. His interactive shows run at 10.30am and 12.00pm weekdays starting Monday, June 29. Admission is just \$5.00 per child or \$2.00 with any "Overboard Adventures of a Stowaway" ticket purchase.

Other popular activities at the Ginger Factory include the Ginger Train tour onboard one of Queensland's oldest steam trains, the Moreton, which originally carted sugar cane in New Guinea and Nambour, together with the delicious Taste of Ginger Tour.

The Ginger Factory is open 7 days from 9am to 5pm and for a full list of school holiday activities and prices, visit www.gingerfactory.com.au
